Donate Your Bottle Deposit Dollars to OMA *It's easy!*

1. Set up a Bottle Drop account online by clicking here:

<https://www.bottledropcenters.com/return-green-bags/>

2. After you have set up your account, go to a participating grocery store to buy your green bags and labels at the Bottle Drop kiosk inside the store.

3. Collect your recyclable bottles and cans with deposit amounts in the green bag. Don't forget to affix your preprinted label on the bag! This uniquely identifies your Bottle Drop account so you can get your \$\$ credit.

4. Take your full green bag to a participating grocery store and use your Bottle Drop account card to open the recycling container door and place your green bag inside.

5. In a few days, your deposit credit will show in your Bottle Drop account. You can then login to your Bottle Drop account and donate your deposit money to Oregon Memorial Association.
